

Annual Holiday Celebration

Fanwood's holiday season officially begins when Santa Claus arrives in town on Sunday, December 5th, at 3 PM! Everyone is invited to meet Santa under the big tent on the lawn in front of the North Avenue Train Station and enjoy an afternoon of seasonal music, holiday crafts and refreshments—all for free. Children who stop by to say hello to Santa will get a free photograph of their visit. Contests will be held with prizes for the winners. The Celebration concludes at 5 PM when Mayor Mahr lights the Fanwood town tree on the train station lawn. Sponsored by the Fanwood Recreation Commission.

Fanwood Lions Club to Hold 61st Christmas Tree Sale!

Beginning December 1st, LaGrande Park will become a forest of Christmas trees and lights. Featuring a splendid array of Balsams, Fraziers and Douglas Firs, the Lions Club tree sale will be held on weekdays from 6 PM to 9 PM and on weekends from 9 AM to 9 PM. Shop early for the best selection – good quality at reasonable prices. The sale also features plain and decorated wreaths and garlands. All proceeds go to support Lions Club projects and student scholarships. The Lions Club will also be collecting unwrapped gifts for United Family and Children's Society. If you have an interest in joining the Lions Club, see one of the members on the lot during the tree sale.

Let's Light Up Fanwood This Holiday Season

The Rotary Club is sponsoring its annual Luminary Sale to be held on December 4th, 11th, 12th, 18th and 19th from 9AM to 3 PM and on December 24th from 9 AM to 12 Noon. Paper bags filled with sand and candles can be purchased at the Fanwood Public Works garage at 270 North Avenue across from the Memorial Library.

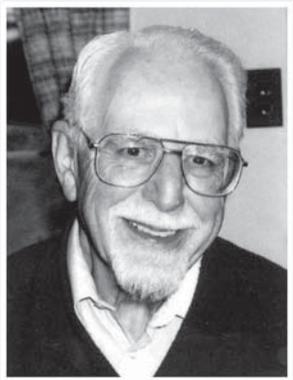

Tiny Tim Carol Night

Turn on your porch lights on Wednesday, December 8th to welcome carolers for the Tiny Tim Fund. Carolers will be traveling throughout Fanwood and Scotch Plains to spread holiday cheer and raise money for the non-profit organization. Participants can drop off their proceeds and enjoy refreshments at the Stage House Inn in Scotch Plains.

Celebrating its 27th year, Tiny Tim provides financial assistance to medically needy local children up to age 18 when care cannot be provided due to temporary or long-term financial difficulties. Last year over two dozen groups took part. If you have any questions or would like to participate, contact Barbara Anilo at (908) 322-4472.

Robert Sommerich

It is with regret that the Communications Committee announces the passing of one of its excellent writers, Bob Sommerich. Bob wrote many informative articles

on the Recycling Center for *The Fanwoodian*. He could always be counted on to keep the Committee and the Borough up-to-date on what materials were being accepted by the Center and which would be rejected. In addition, Bob was a very active volunteer with the New Jersey Blood Center, assisting them with the Borough's yearly blood drives. He will be sorely missed by this Committee and by all the other organizations to which he belonged.

Chief Trigo's Open Door Policy!

Police Chief Richard Trigo invites you to help make Fanwood a better community to live and work in. Please feel free to contact him at (908) 322-5000 x 116, or stop in and take advantage of his open door policy!

Santa Claus Is Coming December 18 (Please Note the Changes!)

Escorted by the Fanwood Fire Department, Rescue Squad and the Police PBA 123, Santa Claus will be making his annual ride through our Borough on Saturday, December 18th starting at 11 AM. Due to changes within our Police Department, there is a new drop off location for the packages.

Santa's elves will begin taking packages at the Fanwood Carriage House (Pat Kuran Cultural Arts Center) next to Borough Hall; starting Sunday, December 5th through Friday 10th, from 5 PM – 8 PM. Parking is on Watson Road.

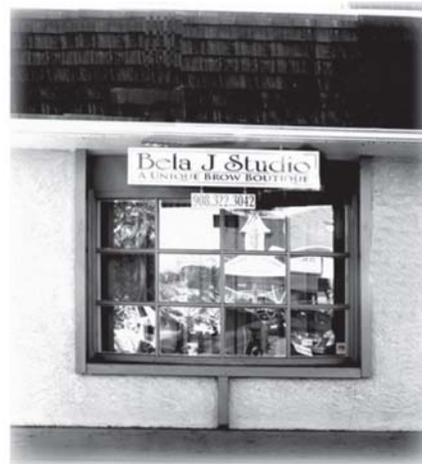

Packages cannot be dropped off at the Police Department since the lobby is now unattended.

Because Santa has to make his list and check it twice, late gifts cannot be accepted. **NO EXCEPTIONS.** All packages must include 'name – address and phone number.

Gifts must be no larger than 12" x 12" x 12". Packages for the same address must be bundled together.

Listen for the siren on that Saturday. HO HO HO!

Visit Bela J. Studio The Eyes Have It!

Annual Reorganization Meeting of the Fanwood Council

The reorganization meeting of the Fanwood Council will take place in Council Chambers on Sunday, January 2nd, 2011 at 12 Noon in Borough Hall. The program offers a one-time grant of \$5,000 to seniors 60 and older who qualify based on their household income. A Message From Mayor Colleen Mahr

Once again we're in the season of Thanksgiving, and although recent years have been difficult for many of us, in Fanwood we have much to be grateful for – so many of you give your time selflessly to make Fanwood a wonderful place.

The community went to the polls in the general election and I look forward to working with the current council and congratulate Kathy Mitchell and Anthony Parenti. Although we sometimes disagree about methods, we rarely disagree about objectives – a safe community, well-managed infrastructure, and public and volunteer services that support and nurture our children and seniors. Although we are of different political parties, we have been a good team, and in the coming year we will continue to pursue the right choices for Fanwood.

During the election season I was privileged to walk door-to-door and spent a lot of time hearing from you. Not surprisingly, local taxes top the list of concerns, so the agenda for 2010 will be led by a hard look at the SPF Shared Services Report. Although the cost-savings outlined in the report affect only about \$2,000 of the average total property tax bill (20% is controlled by Fanwood; the schools account for 62% and the County 18%). We will closely study reducing costs while maintaining services you expect.

I urge you to visit the website at scotchplainsnj.com/shared-services/index.html and review the report yourself so you can be familiar with the kinds of issues that will be coming up in the next year. I would love to hear your ideas and suggestions so please contact me at (908) 322-8236, x 124 or at mayor@visitfanwood.com. I am always happy to hear your ideas.

We have not been waiting around for the results of the Shared Service Report to take action. The process of developing this report revealed some obvious cost-cutting measures that we immediately acted upon. We have cut staff throughout the Borough and recently entered into an arrangement with Union County to provide dispatching services. This will generate a savings of \$240,000 over the 3-year life of the contract. I am happy to report that the changeover has been seamless.

In order to improve our availability to the public, we've changed office hours at Borough Hall. Now open Monday through Thursday from 7:30 AM to 4 PM, Thursday evening from 5:15 to 8 PM and Fridays, a traditionally quiet time at Borough Hall, we

close at Noon. We're trying to use our dollars creatively to improve service. It is our hope that these changes will allow you more access to Borough Hall.

A big thank you Chairman Joe Valente and his 5K Race Committee for the October 24 5K Race and Family Fun Run. They spent countless hours to make the race the terrific success that it was! Not quite the marathoner, I ran in the Family Fun Run with my son Dan, and it was wonderful to see so many of you out there either running or cheering us on that beautiful Sunday morning. And of course I am happy to report that all the monies raised, after paying the bills, will go directly to subsidize our self-sustaining recreation programs.

By now you've all noticed the demolition at the corner of Martine and South Avenue. This heralds the construction of a lovely mixed-use building to be erected by Elite Builders. The first of a three-phase construction project, Elite is currently moving through the planning, zoning and construction approval process and hopes to break ground for the first building in 2011. Once the first building is up on the corner the second

phase will be a two story-residential building on La Grande Avenue, followed by the final phase, the erection of a mixed use building directly across from the train station on South Avenue. This project should be a terrific fit for the Borough, and we wish Elite great success!

Finally, I invite you to join us at the December 5th Holiday Celebration from 3 to 5 PM. Featuring fun activities for the kids, there will also be a Volunteer Sign-Up-Table. We ask you to consider volunteering for Fanwood, please visit the Sign-Up-Table and discuss the possibilities. There are myriad opportunities, and your talents will be welcome among our dedicated volunteers.

Mentioning volunteers I must take a moment to offer condolences to the family of the late Bob Sommerich. I hope you take the time to read about Bob on Page 2, maybe his story will inspire you to get involved with us. Please carry on his legacy of volunteerism and join us to help Fanwood continue to be the wonderful place that we all love!

My best wishes to you all for a safe and happy holiday season!

Please Join Us and Volunteer!
