## Memorial Day in Fanwood

Memorial Day is a highly celebrated and observed holiday in Fanwood and this year is no exception. Fanwood is proud to announce the line-up of Memorial Day events and observances that will be taking place Sunday, May 27 and Monday, May 28. Fanwood will be the host to the annual Memorial Day Concert and Memorial Day Observance and Parade.

"Memorial Day serves as a day of remembrance for those we lost and acknowledgment of the sacrifices they made for our country," said Mayor Colleen Mahr. "I'm honored that Fanwood will be the host to so many great events this year to honor Memorial Day."

The 7th Annual Memorial Day Concert will be taking place on the northside lawn at the Fanwood Train Station, beginning at 6:30 p.m., on Sunday, May 27. The concert's theme, A Tribute to Fallen Heroes, will be recognized throughout the night as the Westfield Community Band will be playing patriotic tunes and traditional marches to commemorate all of the men and women

who lost their lives during their military service for our country. All are encouraged to bring a chair and enjoy the night, which will conclude with speeches from our local dignitaries, veterans and family members.

On Memorial Day, Monday, May 28th, all are invited to the Fanwood War Memorial in front of the library, North Avenue and Tillotson Road, for the Annual Memorial Day Ceremony of Remembrance beginning at 9 a.m. Mayor Colleen Mahr and members of the Fanwood Council will host local veterans groups and dignitaries for the placing of wreaths and the reading of the names of Fanwoodians lost in combat, followed by a gun salute.

Finally, the annual Memorial Day Parade gets underway in Scotch Plains at 10:45 a.m. and makes its way south on Park and Martine Avenues through Fanwood, ending on LaGrande Avenue. The parade's overarching theme, Remember and Honor All Those Who Sacrificed, will be celebrated through military honor guards, regional high school bands, our first

responders and several community groups and they march through Scotch Plains and Fanwood.

The parade will be led by Marine Corps Colonel Konstantine E. Zoganas, this year's Grand Marshal, and will be accompanied by Ed Miller and Joe Nagy of Fanwood, the 2017 Grand Marshals who unfortunately did not get to ride in the parade due to inclement weather last year. Col. Zoganas, a resident of Scotch Plains, is an Iraq War veteran and is currently assigned to the National Defense University in Washington D.C., where he provides training and exercise support to the Center for Applied Strategic Learning, and will retire on June 1.

The annual parade is funded by the Borough of Fanwood and the Township of Scotch Plains. The concert is presented through the generosity of local donors, including individuals, businesses and community organizations, that underwrite the expenses of staging the concert.

We hope to see you in Fanwood during Memorial Day weekend!

## Fanwood Community Day

On Sunday, May 20th at 1:05 p.m., the Somerset Patriots are hosting Fanwood Community Day and Rockin' for Autism at TD Bank Ballpark for a day of community and Autism awareness. Additionally, Mayor Colleen Mahr and Mallory Banks, the organizer for Rockin' for Autism, will throw ceremonial pitches to kick off the event.

Battling against the Long Island Ducks, the Somerset Patriots are part of the Atlantic League of Professional Baseball, an independent baseball organization. In tandem with Rockin' for Autism and Fanwood, the Somerset Patriots hope to help raise funds for Autism while encouraging goodwill within the Fanwood community. Rockin' for Autism, since its start as a modest bake sale in 2011, has become an anticipated annual event in the Fanwood community where residents and visitors alike attend the festival to have fun while supporting a good cause.

Admission into the TD Bank Ballpark is \$11.50 and can be purchased through [somersetpatriots.com/tickets/groupportal](http://somersetpatriots.com/tickets/groupportal) when you enter the code "fanwood" in the group portal before purchase.

## Third Annual Rockin' For Autism Music Festival a Success

Continuing its mission to promote Autism Awareness Month and raise funds for autism research, the Rockin' For Autism Music Festival held its 3rd annual event on April 14, 2018 in Fanwood's LaGrande Park.

Rockin' For Autism is the brainchild of 16-year-old Fanwood resident Mallory Banks, who since 2011 has raised tens of thousands of dollars in honor of her brother, Ethan, and all those affected by autism spectrum disorder. Miss Banks, an Autism Awareness Junior Ambassador for the past seven years, consistently ranks among the top young adults in New Jersey who raise money for Autism Awareness Month.

This year's Rockin' For Autism Festival, which also coincided with the Scotch Plains-Fanwood Youth Baseball Association's opening day ceremony, was held on a beautiful sunny day. Throughout the day, the festival featured several local bands and artists who took to the stage all day, and performances by renown special needs music therapist Jammin' Jenn and the Cindy Smith Dance Studio.

Attendees enjoyed refreshments provided by food trucks and local restaurants, including Nick's Pizza, Rocko's Ice Cream, Fanwood Grille, The Empanada Guy, The Juice House, Red, White and Que, and the annual Rockin' For Autism bake sale. A beer garden was provided by Sheelen's Crossing, and New Jersey American Water provided bottled water for the event.

Among the other main attractions included the popular Child's Play Challenge Course, the 'Chill Zone' quiet room, therapy dogs, and booths and exhibits from various nonprofits and local merchants. Thank you to all who attended!

# Mayor's Message

BY FANWOOD MAYOR COLLEEN MAHR

*Dear Fanwoodians,*

**M**emorial Day is upon us and I hope to be with you all as we honor the men and women who have made the ultimate sacrifice for our country. You'll see information about the Memorial Day Concert and Parade on the cover of this issue. Starting on Sunday with a concert of patriotic tunes on the North Avenue Green at the train station, we will follow with a 9 AM dedication ceremony at the library on Monday morning, followed by our traditional parade.

After what seemed to be the longest winter ever, Fanwood has come through safe and sound, but with a ton of cleanup work under our belts. A tip of the hat to the Public Works employees who spent much of March and April trimming trees and hauling the brush that Mother Nature destroyed during the March Nor'easters. Not one street was untouched by the fallen trees and other damage inflicted by high winds and ice.

Another big thank you to ALL of the volunteers working with the Fanwood Fire Company and the Fanwood Rescue Squad. On call day and night, these generous friends were called upon repeatedly during the storms to attend to downed wires and to help any medically challenged resident who had lost power. We are very fortunate that there were no injuries.

I want to thank the residents as well, for the patience you demonstrated when we had 14 roads closed and power outages throughout the Borough. I want to thank you for the good common sense you demonstrated by staying off the roads during the worst of the weather so emergency vehicles could move freely. I want to thank you all for checking in on your neighbors and giving them a hand when needed with snow removal, cutting down hanging limbs, or providing a bed or a meal.

I have served here for over 14 years now, but the kindness and warmth this community demonstrates in times of need continues to amaze me and makes me very proud to be your mayor.

The council is currently working on the budget and this year all departments have

been asked for another 10% cut in expenses. One result you may have noticed is that there will be fewer issues of *The Fanwoodian*. We feel that after a decade of development, our website and social media presence have grown to such a degree that we can reduce the number of issues each year from four to three and still accomplish our objective of keeping residents informed. Again, I urge you to sign up for weekly e-blasts on our website at [www.fanwoodnj.org](http://www.fanwoodnj.org). The number of users is growing fast, and feedback has been terrific, so I am sure you will find it to be useful.

You may have been hearing talk about our new approach to the local sewers, and I want to take this opportunity to separate fact from fiction. We own the sewer system; all 147,000 feet of it. It is 90 years old and was constructed with clay pipes. With an average lifespan of 100 years, it is time to begin a regular maintenance program to assure a viable sewer system for the future. Just as American Water and Elizabethtown Gas have made a tremendous investment to maintain and upgrade their systems in order to deliver gas and water without disruption, we must do the same.

The Council has determined that the best way to fund this long-term project is to establish a Sewer Authority. Residents will be billed separately for sewer use and the funds collected will be dedicated to maintenance. I anticipate the final details to be ironed out during the summer and the initial bills to be issued later in the year. Please keep your eye on our website at [www.fanwoodnj.org](http://www.fanwoodnj.org) for updates.

Along with the welcome infrastructure improvements are the unwelcome potholes and patches that have been giving us all a bumpy ride lately. You've been tolerating a long stretch of subterranean infrastructure work and as we say goodbye to the Water and Gas companies as they wrap up these multi-million dollar upgrades we turn our attention to paving.

The utilities are obliged to pave where they have trenched, but because of the layout of the gas company trenching on most streets, this will mean they will pave only one side

of the street. However, if the entire street has been dug up, the entire street will be paved, North Avenue being an example. The Borough Engineer is developing a plan to deploy the paving to those streets most in need. Combined with our annual paving program, we hope to have most of the streets back to an acceptable state by the end of this year.

Congratulations are in order for Ron Shovlin, owner of the Shovlin Mattress Factory on South Avenue. Ron has been named Businessman of the Year by the Greater Westfield Area Chamber of Commerce and we couldn't be more proud. Ron brought his business to Fanwood ten years ago and has been a terrific neighbor ever since. We are grateful that the Shovlin Mattress Factory chose Fanwood as its home and wish them many years of continued success.

New business development is coming along very nicely, and we enjoyed Grand Openings for Lightbridge Academy at 15 South Avenue, Monks Home Improvements at 246 South Avenue and Sheelan's Fish Company, at 383 South Avenue.

And I am delighted to report that Station Square and Joe Ponzio are running neck and neck to complete their development projects on 2nd Street and La Grande Avenue. These will be the final projects in our Downtown Redevelopment program and I hope you are as pleased with the result as I am. We were able to develop the entire downtown by working with current owners, without displacing any business and without resorting to eminent domain.

Simultaneously we are working with local merchants and at-home businesses to lay plans for the future. This group meets regularly and have been able to brainstorm and share ideas that lay the groundwork for success for them all.

I believe our house is in good order and I am very confident that the Borough is in a good position to weather the unknown challenges of the future.

Best wishes to you all for a relaxing and safe summer, look forward to seeing you at Memorial Day!

### Summer Park Program

Led by experienced counselors, the Summer Park Program offers structured, fun-filled activities tailored for specific age groups in a safe neighborhood environment for children ages 5–11. This year the program includes giant inflatable water slides, squirt tag, a game truck and more.

The program begins the week of June 25th, Monday–Friday, and continues for eight consecutive weeks in La Grande Park. The cost is \$45 per week (\$36 for the week of July 2nd–6th, no camp on the 4th) for morning (9 AM–12 noon) or afternoon (12 noon–3 PM) session. You can save \$10 by signing up for both morning and afternoon sessions of the same week for only \$80. The morning sessions sold out last summer and are already over 80% full, so don't delay!

For more information about the Summer Park Program and to register, go to [fanwoodrecreation.org](http://fanwoodrecreation.org).

## Libraries Rock! – Summer Reading Programs 2018

Readers will explore all things musical during the Summer Reading Club. This summer will be filled with concerts, karaoke, Book Clubs & Book Blogs, Maker sessions, storytimes and more to keep kids reading and learning all summer long. Teens and adults will also find plenty to enjoy.

Summer Reading Club kicks off with Monday Night Family Concerts & More on Monday, June 25th at 7 p.m. and continues each Monday at 7 p.m. on the Library Front Lawn through July 30th.

Two of the summer's highlighted programs will "Brady Rymer and the Little Band that Could" who will get the summer series off to a rockin' start on June 25th. Rymer's rootsy, pop and rock music regularly wins critical acclaim and national awards including three Children's GRAMMY nominations as well as numerous Parents' Choice Gold and NAPPA (National Parenting Publications) Gold Awards, and has garnered him a growing fan base of enthusiastic families. Brady performs rockin' live music for kids and families across the country at Performing Arts Centers, concert halls, clubs, outdoor festivals, schools and libraries. When he's not playing with his own band, Brady plays bass guitar with the Laurie Berkner Band - Catch him for free outside on the library lawn.

And be sure to catch "Richard Reiter's Drum Circle" on Monday, July 16th. It's family fun for all ages as participants drum together in this exhilarating and unifying activity. Drums and percussion instruments will be available for everyone to use (but feel free to bring your own instruments or noise-making items such as pots and pans). Richard Reiter is a nationally acclaimed jazz musician and Emmy Award-winning composer.

All programs are free of charge and are sponsored by the Friends of the Fanwood Memorial Library.

## Fanwood Library Improvement Project (FLIP)

The enthusiastic passage the NJ Library Construction Bond Act last November was welcome news! The project has been progressing for years with the 2014 resident survey, 2016 public presentations, and the 2017 petition drive and council resolution. And now, our architect John Veisz of FVHD Architects & Planners, is working closely with the board's Building Committee and Borough Council to produce all the materials required to be ready to apply for the state's matching funds. Stay tuned for new developments!

## FRIENDS of the Library Membership Drive

One hundred new or renewing members by July 4th is the goal set by the Friends of Fanwood Memorial Library Membership Committee for 2018.

Card-carrying Friends members receive discounts at fifteen local merchants, first pick at the book sale, and free DVD rentals.

Residents may join the Friends online ([fanwoodlibrary.org/friends](http://fanwoodlibrary.org/friends)), at the library, or by mailing in the newsletter form scheduled for delivery to every household in early April.

The Fanwood Friends raises money for and distributes funds to the library for the MuseumPass and other programs, for equipment, and for materials beyond the library's budget. Membership dues and the fall book sale are the two main sources of the Fanwood Friends funds.

## eServices

Stay cool at the library this summer while you explore our eServices. We have free Wifi for your own devices, or feel free to use one of ours. We have iPads, Kindles, a Mac and PCs. Check out Kanopy, our new movie streaming service, or download your favorite author from eLibraryNJ or rbdigital—apps for both these audio/eBook collections are on our website.

## Little Free Libraries in Fanwood Parks

Don't forget to visit one of the Little Free Libraries next time you're in La Grande or Forest Road Park. Grab something to read, or leave something you've enjoyed for your neighbors.

## 7th Annual Ladies Night Out

The 7th Annual Ladies Night Out will be held on Thursday, June 7, 2018 beginning at 6 p.m. throughout downtown Fanwood! Last year, hundreds of women lined up to register and pick up a goody bag filled with coupons for local businesses and tickets to win prizes at a tricky tray raffle. Join us at the plaza between Fanwood Crossing I and Fanwood Crossing II Buildings on South Ave. in Fanwood to enjoy music, mingling and shopping to support our local merchants!

The annual event, sponsored by the Greater Westfield Area Chamber of Commerce which represents Fanwood businesses, will feature most of Fanwood's downtown businesses plus some visiting businesses. The evening will culminate in a monster Tricky Tray and champagne reception, that will cap off this fabulous evening!

The goal each year is to bring walk-in business to Fanwood's downtown which has enjoyed significant growth over the past several years. You're invited to join us on June 7th and enjoy a night out downtown!

## Rabies Clinic

The Borough of Fanwood will be hosting a free rabies clinic for dogs & cats, scheduled for October 24, 2018 from 5:30 to 6:30 a La Grande Park.
